Report of Principal and School Improvement Council

St. Andrew's Middle School has completed a successful school year. We continue to make progress in challenging and engaging students for instruction. Teachers participated in numerous hours of professional development. In addition to required district and school professional development time, we met once a week during Teacher Curriculum Team (TCT) meetings and covered additional professional development training.

The following accomplishments highlight our school success for the year: we had two Junior Scholars, three students identified by Duke University Talent Identification Program as Duke TIP Scholars, 8th grade boys participated in the "Call Me Mister" program at the College of Charleston and Claflin University, two students competed in the State Optimist Speech Contest, our Odyssey of the Mind Team won the South Carolina State competition and also competed in World Competition at Iowa State University, and all of our Algebra I students passed their End of Course Test. Additionally, St. Andrew's received the News 2 Cool School Award. Our students this year participated in football, basketball, cheerleading, volleyball, band and strings/orchestra.

St. Andrew's Middle School is a Title I school that provided the foundation for our students to learn, grow and succeed. Our students, faculty, staff, parent's PTO and School Improvement Council were committed to promoting academic achievement.

The school will be closing this year. Thank you for allowing us to inspire and empower all students to be life-long learners,

LaWanda Glears, Principal

Tina Smith, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	57.9
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

St. Andrew's Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
